**Medal of Awesome**

Today’s Medal of Awesome is from Katie Jackson. Katie said "I haven't been in Mrs. Walz's class since freshman year, but she deserves the Medal of Awesome nonetheless. Mrs. Walz is always working extra-long and hard to support her students whether it is academic or not, even though we all know she's so busy herself. Whenever someone needs it, she's willing to lend a hand or even just an ear and I'm super glad I got the chance to and have been able to spend more time with her this year. Keep being awesome Mrs. Walz!"
