Student Signature: _____

Parent Signature: _____

8th Grade Student Scheduling Information

Required courses for all 8th grade students are:

- Language Arts
- Math
- Science
- Social Studies
- Fitness & Health
- Code to Create is a required course to be taken in either 7th or 8th grade. Please reference the ACMS Course Description Guide for more information on this course.
- A minimum of two years of World Language study is required while in middle school. Please reference the ACMS Course Description Guide for more information on required World Language courses.

An online copy of the ACMS Course Description Guide can be located on Asa Clark Middle School's website as follows:

- Select "ACMS Families" from the gray line immediately underneath the photo slideshow
- Select "Parents"
- Under "Quick Links", select Course Guides & Academic Information
- Select "Course Description Guide"

1) **Make Course Selections Very Carefully:** Once a course selection is made, students will be expected to stay with their decision. It is important for students and parents/guardians to work together to make well-planned choices.

2) With the exception of Band, Music Appreciation & Performance, and Drama courses, students cannot repeat taking a course.

3) **Alternate Choices:** Every effort is made in scheduling to accommodate student selection requests given course, scheduling and staff availability; however, irresolvable conflicts may occasionally occur; thus, alternate selections are required.

**If you questions regarding your child's educational program, please feel free to contact either of Asa Clark Middle School's Counselors –
Brianna Rembert: A-L (262-695-5047/bartbri@pewaukeeschools.org)
Allison Prather: M-Z (262-695-5056/pratall@pewaukeeschools.org)**
