

## **WE ARE HAPPY YOU ARE HERE TO LISTEN AND OBSERVE THE BOARD OF EDUCATION DELIBERATIONS.**

Because the Board of Education desires to hear the viewpoints of citizens throughout the District, it will schedule a period of time on each regular or special meeting agenda for public participation.

If you are here to address the Board of Education, we want you to know the procedures for speaking at the meeting. To provide maximum public involvement, and ensure the orderly conduct of Board meetings, the Board of Education has established the following procedures:

### **PARTICIPANT RESPONSIBILITIES:**

- Obtain and complete a citizen comment card where the meeting is being held. Cards are to be given to the Board President or designee prior to the meeting's start. Cards will be taken until the meeting's official opening and Pewaukee School District citizens will be called on to speak in the order they were submitted. The Board President or designee will determine if citizens who turn in cards after the start of the meeting will speak.
- Please stand when called on by the Board President or designee and identify yourself by giving your name, address and nature of your remarks.
- You have approximately three minutes to address the Board of Education; speakers may be limited to two per topic.
- Be respectful of others' views. Comments must be appropriate; no profanity.
- If you desire to record proceedings of a Board of Education meeting, please obtain permission in advance from the Superintendent.
- No comments on items not approved for public session, such as closed-session or personnel items.

### **BOARD PRESIDENT & BOARD OF EDUCATION RESPONSIBILITIES:**

The Board President or designee will be responsible for maintaining proper order and adhering to time limits.

The Board President or designee will recognize citizens using citizen comment cards and convey the guidelines for citizen comments.

Board members pledge to listen respectfully to all citizen comments without interrupting or engaging in conversation or debate.

The Board President or designee may terminate the remarks of any individual when the citizen does not adhere to the established public participation rules.

The Presiding Officer has full discretion over public participation rules.

### **RESPONDING TO CITIZEN COMMENTS:**

The Board will not react to a concern until it has obtained the necessary information. We cannot engage in debate concerning your remarks and cannot legally take immediate action on any issue you may raise. Questions or comments regarding individual personnel issues are not to be discussed in open session.

**In response to your comments, the Board may:**

- Answer immediately if information is known.
- Request an individual to submit his/her concerns in writing.
- Request information from appropriate staff if they are present.
- Refer the matter to the District Administrator.
- Refer the matter to a committee of the Board of Education.

### **RESOLVING CONSTITUENT CONCERNS**

The Board of Education has a procedure to address concerns about services provided in the District. This is explained in Board Policy 2000.07. While the Board of Education is the final review authority, the policy asks citizens to first work to find a resolution with the teacher, principal, and then Superintendent. Respectfully, we ask that you not address a personnel matter or student issue with the Board of Education without first seeking the steps found in Policy 2000.07.

### **SCHOOL BOARD OF EDUCATION MEETINGS**

- The Board of Education usually meets at 7 p.m. on the second and fourth Monday of the month. The Board of Education meeting schedule and location is posted at all school offices, the District Office, and on the District's website [pewaukeeschools.org](http://pewaukeeschools.org). It is also printed in the Lake Country section on the Wednesday before the meeting. Special meetings may be called by the Board of Education members by giving a 48-hour notice stating the time, place, and purpose.
- A copy of agendas for all regular and committee meetings are available on the Tuesday before each meeting.
- Meetings are open to the public so that the citizens of our district may view the work of the Board of Education. Closed sessions are not open to the public and are convened to allow the Board of Education to discuss negotiations, real estate, pending court proceedings, sale or purchase of securities and investments, and personnel issues regarding salary or performance.
- Voting on all issues, including those discussed in closed session, is done in public. A majority vote renders approval of an issue.
