

SAFETY:

The health and safety of our staff and clients is always our top priority. CG Schmidt has taken steps to help prevent the spread of COVID-19 throughout our jobsite and the buildings we are working in. We have met with our subcontractors to inform them of the changes that we have made on site, including a 100% glove policy, mask policy (when working within six feet of other people). Hand sanitizer stations are also installed around the site for everyone's use.
