

Pewaukee School District

COVID-19 Update

June 2, 2021

FINAL WEEKLY UPDATE

Weekly Update Data: This information is provided in an effort to be transparent with the level of COVID-19 virus activity within the school district. Please note that information relative to any individual's health is very sensitive and private so we are taking steps to secure the anonymity of individuals. Student numbers will be published at a school level and the district as a whole. In any school in which the number is <5 we will post an * to avoid the likelihood of exposing the identity of an individual. We will provide a summary number for the district as a whole. For staff, because they are fewer in number, we will only post that information for the district as a whole.

Data related to the spread of the virus in our region can be reviewed using the **Waukesha County COVID-19 Dashboard** at [Coronavirus](#).

Phase Status: *Current level = Phase 3; *Grades 4K -12 (Full attendance Mon - Friday)*

Happy June! Great to see that we continue to experience low levels of infection and quarantine in our schools and a declining rate of infections in our census tract region, County, and State. With the school year ending next week, this will be the **last weekly Covid-19 update sent home to families**. **There will be more communication shared over the summer as we continue to monitor conditions and finalize plans for the 2021-2022 School Year.** I want to take this opportunity to thank our students, staff and families for your support and cooperation as we have worked through such a challenging year.

Board Action: On Monday, May 24th, the Board of Education took action regarding Covid-19 Protocols for the remainder of the 2020-21 School Year, Summer School, and approval of a preliminary plan for the fall. A [letter](#) explaining the Board actions was sent home to all families last week.

Vaccinations: If your student has been vaccinated, and you would like to update their records at school you can email that information to PSD-health@pewaukeeschools.org and our nursing staff will update the information.

Support Resources: These atypical times have been shown to contribute to increases in mental health issues for students and adults as routines are disrupted and this can lead to feelings of isolation and helplessness. Our student services staff are a tremendous resource and are trained to help. Please do not hesitate to contact your child's school counselor if you have any concerns. We are here to help! You can access helpful resources at:

Data Table Terms

Active Cases: This term refers to individuals with a confirmed COVID-19 diagnosis who are not considered recovered. This would apply to any individual who has not completed the required 10-day isolation period which must also include 24-hours symptom free.

Probable COVID-19: This term refers to individuals who are symptomatic and have a known exposure to someone who has been diagnosed with COVID-19. Probable COVID-19 cases are included in the active cases data in the table below.

Quarantine: This term refers to individuals who are placed in quarantine due to a known exposure to an individual confirmed to have COVID-19 or due to the presentation of symptoms consistent with the virus.

June 2, 2021		
School	Student Active Cases (Confirmed COVID-19 / Non-recovered & Probable COVID-19) (Last update / +/- Change)	Students Quarantined (Symptomatic of, or Exposed to, COVID-19 / 10-14-day Quarantine) (Last update / +/- Change)
PLE	*	6
Horizon	*	*
Asa Clark MS	*	*
PHS	*	*
Total	0 (1 / -1)	12 (13 / -1)
District (Staff data x district level only to protect privacy of individuals)	Staff Active Cases (Confirmed COVID-19 / Non-recovered & Probable COVID-19)	Staff Quarantined (Symptomatic of or Exposed to COVID-19 / 14-day Quarantine)
PSD	0 (0 / 0)	0 (1 / -1)
* Indicates less than 5 cases to protect the privacy of individuals infected or in quarantine		

Weekly Summary

(Through 5/28/21)
